Fundraising Success

A huge thank you for your support with our School Marathon Relay. We had great fun and were so proud of all the children for completing their laps of the track. Thank you to everyone for their generosity with sponsorship and a superb total of **£1255.50** was raised. The money is being used to purchase materials and resources for the children and we will keep you updated of how the money is being spent over the coming months.

Many thanks to our PSG and in particular Nuala who coordinated the event. Also, sincere thanks for your efforts with our Lenten Trocaire Appeal. We have sent a cheque for **£375.60** to Trocaire. Amazing totals, thank you so much for your continued generosity.
