

Poetry In Motion Gala

Yesterday was 14th March 2017 and P.5 went to the Ulster hall for a Poetry In Motion Gala.

Once I entered the hall the first thing I saw a large pipe organ. Recarson was fifth to say their poem. Once I got on the stage I was a bit worried about all the people in the crowd. I tried hard not to show I was worried. After all the poems were said before they declared who won the Seamus Heaney award they called out people who won Commendations I was one of the children in our school to get a commendation. There were three other children in the class they were Ronan, Tristan and Grainne, Mrs Mc Elhill got an award too. I loved going on stage and saying our poem The Mystical Celtic Whisper.
