Competition Success for Recarson Pupils!

Well done to all the pupils who recently represented the School in local competitions. These have included the Sentinus STEM and K'nex Challenges, Sacred Heart Maths Challenge, Football blitzes and the Easons Spelling Bee. Our pupils were exemplary and gave a terrific effort at each event. Congratulations especially to Niall and Mark (both P6) who came 2nd in the K'nex Challenge in the Sacred Heart. The boys were required to follow instructions and build a bridge from the K'nex materials provided. They will now represent the school in the Northern Ireland Finals in Jordanstown on 12th June! Well done boys!

We are also delighted to announce that Mairead McCaffrey (P7) came 2nd in the Tyrone heat of the Eason's Spelling Bee. A wonderful achievement Mairead, we are extremely proud of you!

Parent Support Group

Continued thanks to our Parent Support Group who have recently purchased new equipment for our outdoor play. We are most grateful for your financial generosity in helping to provide the best resources for the children.
