New Eco-Council at St Ronan's

We are delighted to announce that we have a newly formed Eco-Council who will be working alongside Mrs Morgan to help our school learn to look after and care for our school environment. The pupils will lead a variety of projects related to recycling, energy consumption and caring for the local habitats of plants and animals as we all work towards achieving our green 'Eco-School' flag for St. Ronan's. We are very excited to be implementing this new initiative!
