

## St Ronan's Recarson PS

### Credit Union Success!

Well done to all the boys and girls who participated in the Omagh heat of the annual Credit Union Quiz. We were delighted with the performances from all teams, but a special word of congratulations to Cathal, Cillian, Molly and Ryan who won the Under 13 section! This is the third year in a row the school has been successful in this competition. A terrific achievement boys and girls, congratulations to you all!

### Cumann na mBunscol Hurling, Camogie and Football Heats and Finals

A huge congratulations to our Camogie, Hurling and boys Football teams that represented the school in the recent Cumann na mBunscol heats and finals in Omagh. Both our hurling and camogie teams were winners in the County Finals, and now progress to represent Tyrone at Ulster level in April. Well done boys and girls! A superb achievement.

The boys footballers put in a terrific performance and were unlucky not to qualify from their group stage. We look forward to the girls indoor football tournament later in the month!

### Eco-Update!

The Eco-Committee in St. Ronan's Recarson consists of pupils and adults from the school, who meet regularly to discuss and plan environmental changes to the school. We have conducted an environmental review of the school and from this, drawn up an action plan for the coming year. We are focusing mainly on reducing energy, increasing the biodiversity in the school grounds, monitoring waste and encouraging recycling. We are also taking part in regular litter picks in Lover's Retreat Omagh to help our community tackle litter and waste. We have had visitors to the school from FODC providing advice and guidance. We would encourage families to support the work of the eco-committee at home by encouraging your child to recycle using the correct bins, reduce the use of plastic bottles in the home, feed the birds and encourage the turning off of appliances when not in use. Keep up to date on our activities through the school website!

Just a reminder, a facilitator from **Action for Mental Health** will lead a Parent Workshop this **Wednesday 5th February 2020 7pm-8.30pm for Parents of pupils in P6 & P7**. We hope all parents will be able to join us in the school library for this informative workshop.

### Catholic Schools Week 2020

Thank you to all those pupils who participated in our Masses to celebrate Catholic Schools Week. We will remember the message of Catholic Schools Week, **'Living in Harmony with God's Creation'**.
